

INFORMAZIONI TECNICHE

TECHNICAL DATA
CARACTÉRISTIQUES TECHNIQUES
TECHNISCHE EIGENSCHAFTEN

La seguente tabella elenca prodotti e sequenze applicative che sono il frutto della nostra decennale esperienza e della collaborazione con le aziende produttrici, consigliamo quindi nel caso di cambiamenti di prodotto o produttore per questioni di carattere estetico o commerciale, di mantenere tassativamente le valenze tecniche dei prodotti consigliati reperibili nei website delle aziende indicate

The following table lists products and application sequences that are the result of our decades of experience and collaboration with manufacturing companies, therefore we advise in the case of changes of product or manufacturer for aesthetic or commercial reasons, to strictly maintain the technical values of the products recommended available on the websites of the companies indicated.

Ce tableau indique les produits et les instructions qui sont le résultat de notre expérience décennale et de la collaboration avec les fabricants; donc, en cas de changement de produit ou de fabricant pour des raisons esthétiques ou commerciales, nous conseillons de maintenir strictement les valeurs techniques des produits conseillés qui sont indiquées sur les sites Internet des fabricants.

In der folgenden Tabelle sind Produkte und Anwendungssequenzen aufgeführt, welche das Ergebnis unserer jahrzehntelanger Erfahrung und unserer Zusammenarbeit mit den Herstellerfirmen darstellen. Sollten Sie das Produkt oder den Hersteller aus ästhetischen oder kommerziellen Gründen ändern, raten wir daher, die technischen Werte der Produkte, welche auf den verschiedenen Webseiten der Herstellerfirmen zu finden sind, strikt zu beachten und einzuhalten.

La seguente tabella elenca prodotti e sequenze applicative che sono il frutto della nostra decennale esperienza e della collaborazione con le aziende produttrici, consigliamo quindi nel caso di cambiamenti di prodotto o produttore per questioni di carattere estetico o commerciale, di mantenere tassativamente le valenze tecniche dei prodotti consigliati reperibili nei website delle aziende indicate

The following table lists products and application sequences that are the result of our decades of experience and collaboration with manufacturing companies, therefore we advise in the case of changes of product or manufacturer for aesthetic or commercial reasons, to strictly maintain the technical values of the products recommended available on the websites of the companies indicated.

Ce tableau indique les produits et les instructions qui sont le résultat de notre expérience décennale et de la collaboration avec les fabricants; donc, en cas de changement de produit ou de fabricant pour des raisons esthétiques ou commerciales, nous conseillons de maintenir strictement les valeurs techniques des produits conseillés qui sont indiquées sur les sites Internet des fabricants.

In der folgenden Tabelle sind Produkte und Anwendungssequenzen aufgeführt, welche das Ergebnis unserer jahrzehntelanger Erfahrung und unserer Zusammenarbeit mit den Herstellerfirmen darstellen. Sollten Sie das Produkt oder den Hersteller aus ästhetischen oder kommerziellen Gründen ändern, raten wir daher, die technischen Werte der Produkte, welche auf den verschiedenen Webseiten der Herstellerfirmen zu finden sind, strikt zu beachten und einzuhalten.

La seguente tabella elenca prodotti e sequenze applicative che sono il frutto della nostra decennale esperienza e della collaborazione con le aziende produttrici, consigliamo quindi nel caso di cambiamenti di prodotto o produttore per questioni di carattere estetico o commerciale, di mantenere tassativamente le valenze tecniche dei prodotti consigliati reperibili nei website delle aziende indicate

The following table lists products and application sequences that are the result of our decades of experience and collaboration with manufacturing companies, therefore we advise in the case of changes of product or manufacturer for aesthetic or commercial reasons, to strictly maintain the technical values of the products recommended available on the websites of the companies indicated.

Ce tableau indique les produits et les instructions qui sont le résultat de notre expérience décennale et de la collaboration avec les fabricants; donc, en cas de changement de produit ou de fabricant pour des raisons esthétiques ou commerciales, nous conseillons de maintenir strictement les valeurs techniques des produits conseillés qui sont indiquées sur les sites Internet des fabricants.

In der folgenden Tabelle sind Produkte und Anwendungssequenzen aufgeführt, welche das Ergebnis unserer jahrzehntelanger Erfahrung und unserer Zusammenarbeit mit den Herstellerfirmen darstellen. Sollten Sie das Produkt oder den Hersteller aus ästhetischen oder kommerziellen Gründen ändern, raten wir daher, die technischen Werte der Produkte, welche auf den verschiedenen Webseiten der Herstellerfirmen zu finden sind, strikt zu beachten und einzuhalten.

La seguente tabella elenca prodotti e sequenze applicative che sono il frutto della nostra decennale esperienza e della collaborazione con le aziende produttrici, consigliamo quindi nel caso di cambiamenti di prodotto o produttore per questioni di carattere estetico o commerciale, di mantenere tassativamente le valenze tecniche dei prodotti consigliati reperibili nei website delle aziende indicate

The following table lists products and application sequences that are the result of our decades of experience and collaboration with manufacturing companies, therefore we advise in the case of changes of product or manufacturer for aesthetic or commercial reasons, to strictly maintain the technical values of the products recommended available on the websites of the companies indicated.

Ce tableau indique les produits et les instructions qui sont le résultat de notre expérience décennale et de la collaboration avec les fabricants; donc, en cas de changement de produit ou de fabricant pour des raisons esthétiques ou commerciales, nous conseillons de maintenir strictement les valeurs techniques des produits conseillés qui sont indiquées sur les sites Internet des fabricants.

In der folgenden Tabelle sind Produkte und Anwendungssequenzen aufgeführt, welche das Ergebnis unserer jahrzehntelanger Erfahrung und unserer Zusammenarbeit mit den Herstellerfirmen darstellen. Sollten Sie das Produkt oder den Hersteller aus ästhetischen oder kommerziellen Gründen ändern, raten wir daher, die technischen Werte der Produkte, welche auf den verschiedenen Webseiten der Herstellerfirmen zu finden sind, strikt zu beachten und einzuhalten.

TONALIZZAZIONE: per tonalizzazione si intende un'alterazione dell'aspetto naturale della pietra

TONALIZATION: tonalization means an alteration of the natural appearance of the stone

TONALISATION: cela signifie qu'il y a une altération de l'aspect naturel de la pierre

TONALIZATION: Tonalization bedeutet eine Veränderung des natürlichen Aussehens des Steins

INGRIGIMENTO PERIMETRALE: alterazione del colore del perimetro della tessera, dovuto all'assorbimento di resina sui bordi laterali delle tessere di marmo

GOING GREY ON THE EDGES: alteration of the color of the perimeter of the chips due to the absorption of resin on the side edges of the marble tiles

GRISONNEMENT PERIMETRAL: cela signifie qu'il y a une altération de la couleur du périmètre de la tesselle dû à l'absorption de résine sur les bords latéraux des tesselles en marbre

PERIMETRALE VERGRAUUNG: perimetrale Vergrauung bedeutet eine Farbänderung des Mosaiksteinchenumfangs aufgrund von Harz Absorption an den Seitenkanten der Marmorsteinchen

OSSIDAZIONE: pietra che può contenere tracce di ossido di ferro

OXIDATION: stone that may contain traces of iron oxide

OXYDATION: pierre qui peut avoir des traces d'oxyde de fer

OXYDATION: Stein, der Spuren von Eisenoxid enthalten kann
